

LARGE COMMUNITY DONE RIGHT!

The Estates At Aliante HOA

SPRING 2012

Aliante Parkway
And
Deer Springs Rd.

The neighborhood streets had numerous divots, we fix them! Next, we clean and fill all cracks with hot rubberized crack fill, then power clean all streets.

Next, we apply (2) heavy coats of premium seal coat material, which provides a deep rich black finish. In this case, the community was done in 4 sections to minimize the impact to residents during our work.

- ASPHALT PAVING & REPAIRS
- ASPHALT MAINTENANCE
- CONCRETE MAINTENANCE
- EXCAVATION & GRADING
- BUILDING PADS
- UNDERGROUND UTILITIES—
WATER AND SEWER
- ADA UPGRADES & SIGNS
