

# Asphalt and Concrete Replacement Project

## PT's Pub

347 N. Nellis Blvd.  
Las Vegas, NV

We accomodate your business!  
This tavern is open 24 / 7!

The project began with the removal of all existing asphalt paving. Then we installed a new concrete valley gutter to solve drainage problems.

Next, we re-graded and machine-paved the entire lot, and gave the parking facility a fresh new layout and Re-Stripe, increasing their parking capacity in the process.
